TO: School District Superintendents
K-12 Principals
Teachers

FROM: Lachelle Brant, Education Consultant
Support Systems and Resources Division

DATE: September 5, 2012

SUBJECT: 60 Sites in 60 Minutes Webinar

INFORMATION TO SHARE WITH TIME SENSITIVE MATERIAL

You are invited to attend a series of upcoming monthly webinars supported by the Wyoming Department of Education and focused on Digital Learning. Join us on **September 12th at 4:00pm** for “60 Sites in 60 minutes” presented by Wyoming Technology-Engagement-Curriculum Connection (WyTECC). Attendees will have the opportunity to take a look at 60 sites that allow educators to easily integrate technology into their classroom on various levels.

These free monthly webinars will continue to take place the second Wednesday of each month and will end with a culminating celebration during the 2nd annual Digital Learning Day national event on **February 6, 2013**.

To access the monthly webinars from your own computer use the following link. Please provide your full name and school or district on the login screen that appears:

Please feel free to forward this invite to any of your staff who may be interested in taking this opportunity to collaborate and learn some interesting ways to bring technology to their students. For more information on WyTECC or the monthly webinars please contact Cristy Magagna at questions@wytecc.org.

If you are not familiar with Blackboard Collaborate, or you have questions concerning Digital Learning Day 2013, please contact Lachelle Brant at the WDE at 307-777-3679 or via e-mail at lachelle.brant@wyo.gov or Scott Bullock at 307-777-7418 or via e-mail at scott.bullock@wyo.gov.
